CHARITY INITIATIVE AT SHEFFIELD LEGAL FIRM

Charity begins at home for staff at Watson Esam Solicitors who are delighted to have signed up to the firm's latest staff initiative 'Engage in the Community', a project which aims to put their many talents to use by getting involved in the management of local charities and organisations.

Watson Esam has served clients throughout Sheffield for more than 150 years and is keen to endorse the scheme which aims to put something back into the community in which it has prospered.

Jay Bhayani, partner at Watson Esam said "We really want to support our staff in their desire to get involved with charities which are close to their hearts and which have a presence in Sheffield. We feel that our staff have an abundance of skills and qualities which would be of great benefit to the charities, and equally we feel that our staff will learn new skills, meet new people, and develop a sense of community spirit by engaging in and becoming part of the success of local organisations".
