Bollywood fever hit Sheffield in June as it hosted the International Indian Film Awards – affectionately known as the Bollywood Oscars. To help with the celebrations, a whole host of events took place around the city.

Celebrating Indian culture in style, a lavish 'Bollywood Ball' took place at one of the city's most prestigious venues - Cutlers Hall on 8th June. The ball, in aid of Whirlow Hall Farm Trust was sponsored by Sheffield Solicitors Watson Esam, whose senior partner Jay Bhayani was instrumental in setting up and promoting the sell-out ball.

A champagne reception, authentic Indian banquet, music and dancing to Bhangra music all added to a spectacular evening which raised a substantial amount for the charity.

Jay said "I have really enjoyed working with the Trust in organising the ball – it has certainly been a worthwhile challenge. Watson Esam has a long tradition of working with charities in Sheffield and we are proud to have sponsored such a successful event – and of course to have been able to help celebrate Sheffield's success in hosting the awards."
